FUN GAMES FOR YOU AND YOUR DOG

Rosettes for 1st, 2nd and 3rd places

Fastest recall:

Your dog is held in one corner of the ring while you position yourself within a marked triangle in the opposite corner. Call your dog and it has to run into the FRONT of the marked triangle to you. The three fastest dogs in each class to enter the triangle win. **Three classes for large, medium and small dogs.**

Musical sit:

Walk around in a circle with your dog on a lead. When the music stops the last dog to sit is eliminated, and so on until three dogs are left for a 'sit off' for 1st, 2nd and 3rd places.

Base Dog:

A canine version of rounders! At 1st base your dog must sit. At 2nd base your dog must lie down. At 3rd base your dog must sit and give you a paw. At 4th base you stop and praise your dog for completing the course! The three dogs with the least faults in the fastest times win.
